

## Second Annual VLSC Clay Shoot

Please join us for a day of laughs and camaraderie while supporting an organization that has supported the Jacksonville Beach community for over 100 years.

Established in 1912, The Volunteer Life Saving Corps has created a rich history protecting the beach goers in Jacksonville Beach. Throughout the year our volunteer lifeguards have protected the bathers and beach goers in Jacksonville Beach on every Sunday and federal holiday for almost 11 decades. Over the last 100+ years our volunteers have saved thousands of lives and administered first aid to countless people.

You can always count on us to be there in a moment of need, and right now our self-funded mission of public and water safety needs your help.

**We are raising money for two reasons:**

- 1) to purchase and maintain our equipment and historic life saving station, and**
- 2) fund our Second Century Fund endowment designed to secure financial stability for our future.**

The historic Volunteer Life Saving Station is one of the most recognizable Jacksonville (Beach) landmarks and one of the most photographed North Florida buildings every year. Please consider a donation or participation in our Clay Shoot Fundraiser to raise money to keep our beaches safe!

The historic American Red Cross Volunteer Life Saving Station is located at #2 Oceanfront in Jacksonville Beach; at the foot of Beach Blvd. The current building was built in 1947 and had a major renovation in the winter of 1997.

110 Years of Continuous Volunteer Service

4,000+ Members/Alumni

1,300,000+ Volunteer Hours Served

1,430+ Life Saving Rescues

1,743+ Assists to Distressed Swimmers

25,000+ First Aid Cases

The Volunteer Life Saving Corps is more than a simple summer lifeguarding job. It is a training ground where young men and women learn valuable lessons and skills that they will carry with them for the rest of their lives. From as young as sixteen years old, our members are trained and proficient in first aid, CPR, and open water life saving skills. VLSC Volunteers accumulate more volunteer hours in one summer than most high school students acquire in four years.

Our members have gone on to be firemen, police officers, nurses, doctors, military heroes (including Navy SEALs, Air Force Pararescue, Green Berets, National Guard, & Marines), Secret Service, FBI, and State Troopers. The bonds we form at the VLSC bring together members of all backgrounds, socioeconomic status, and parts of town. Without knowing each other, we all know we share one thing: Esprit de' Corps!

**Please consider supporting our organization and mission through participating in our charity shoot or being one of our sponsors.**
